HOW IT WORKS

Three steps to the best price

No complicated setup. Add what you need, set your budget, and let the AI do the hunting.

01

Add your item

Tell us what you're looking for — any product, material, or item. Add specs, condition preference, and your max budget.

02

AI searches live

Our AI hits every major marketplace simultaneously — TradeMe, Facebook Marketplace, Gumtree, eBay, hardware stores and more.

03

Get the best deal

See ranked results with prices, conditions, and direct links. Get alerted instantly when something drops under your budget.

FEATURES

Everything you need to never overpay again

4 global markets

NZ, Australia, UK, and USA — each with localised platforms, currency, and search logic.

Real AI, real results

Powered by Claude AI with live web search. Not price

APIs — actual live marketplace scanning.

🔔

Budget alerts

Set a max price. The moment anything comes in under it, you're notified instantly. (Pro)

🆓

Free-item hunting

Toggle "Free only" to catch giveaways, Freecycle posts, and Facebook Marketplace free listings.

⬡

Community deals

Share your finds with hunters worldwide. Discover deals others have uncovered in your market.

📱

Install on any device

Works as a web app or install it like a native app on iPhone and Android — no app store needed.

📊

Scan history

Every search is saved. Track how prices move over time and spot trends before others do.

⚡

Scan all at once

One tap searches your entire watchlist simultaneously. Perfect for weekly price sweeps.

REVIEWS

Hunters love it

★★★★★

"Found $4,500 worth of hardwood flooring for free on Facebook Marketplace in 10 seconds. I would never have found it without this."

👷 **Dave K.**
Builder · Sydney, Australia

★★★★★

"I use it every week before buying anything for my builds. Saved thousands on timber and tools alone. The TradeMe results are insane."

🔨 **Tom W.**
Carpenter · Auckland, NZ

★★★★★

"The free-item mode is genius. I've furnished half my flat from giveaways it found. Game changer for anyone on a budget."
